

Dolphin Ocean Secrets

Code **SDRCZ**

Interact and swim in a controlled environment. A trainer will provide a brief orientation session where you will learn to interact with dolphins in a fun and safe way. Once you are all set, you can interact with dolphins, shaking hands/fins, hugging them or kissing the marine mammals. Enjoy a thrilling experience with “DOLPHIN BELLY RIDE”, where while grasping the dolphin’s pectoral fins it will guide you along the lagoon to complete a photographic session.

 **Includes:** Professional tour guides and dolphin trainers, 10 minute welcome orientation, 40 minute water program with the dolphin, water goggle session, food and national beverages. Additional activities (weather permitting): snorkel, kayak, paddle board.

 **Does not include:** Service tips, video, photos and services not mentioned above.

 **Recommendations:** Bring swimwear, towel, an extra set of clothes, eco-friendly sunscreen, and extra cash for photos, locker rental and additional activities.

 **Additional Information:** Children under 1.22 meters of height perform the activities in shallow water (Interactive Program). Children between 3 and 10 years old must be accompanied by a paying adult with the same program purchased. For safety reasons electronic devices, mobile phones, cameras, jewelry and watches are not allowed during the dolphin program.

 **Health and Safety:** For safety reasons expectant mothers are not advised to participate in this dolphin program.
